

# Announcing "The Future of Ergonomics" Web Event

*Join us Wed., Nov. 9, 2011 from 11:00am - 12:00pm PT to learn the results of our latest study of Fortune 500 Companies & hear our panel of experts share what it means for you.*

Don't miss this important event as we discuss the ROI of Ergonomics, making Ergonomics a proactive discipline within your organization, and securing executive buy-in for your Ergonomics program. For more information on these and other services visit us at [www.ohs.us.com](http://www.ohs.us.com).

Sponsored by:

To register and reserve your spot, visit our event page at <https://ohs.ilinc.com/register/fmcfzsh>. Spaces are limited, so register today!

Our expert panelists will be on hand to provide real-world examples of how individuals and teams can advance Ergonomics in organizations today.

- Alan Hedge, PHD, CPE - Cornell University
- Robert Patterson, ESQ – Peninsula Ventures
- Bob Pinkerton - SafetySpaces
